

# A Box for Fix-it Max

1. Fix-it Max is extremely excited today.

2. The postman has delivered a large box.

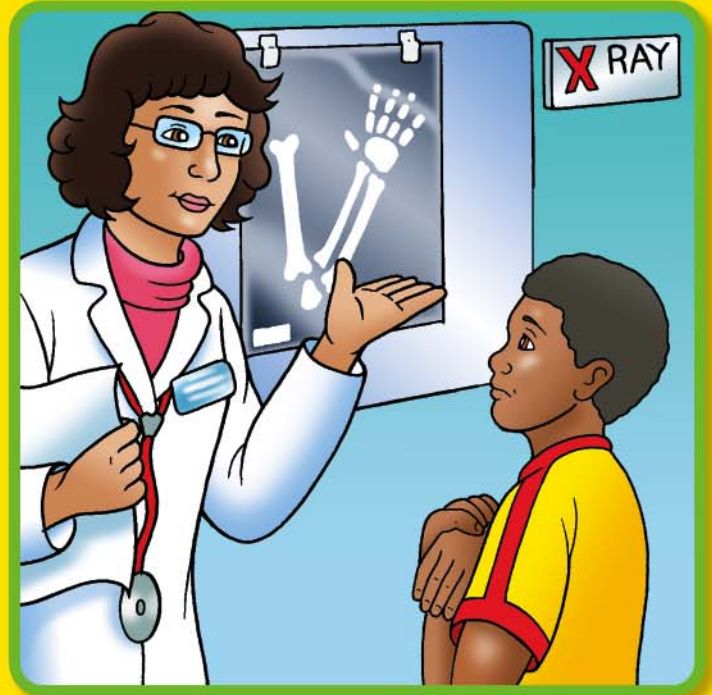

3. It is a brand new bicycle.  
Lucky Max!

4. Max rides his bike until he is exhausted.

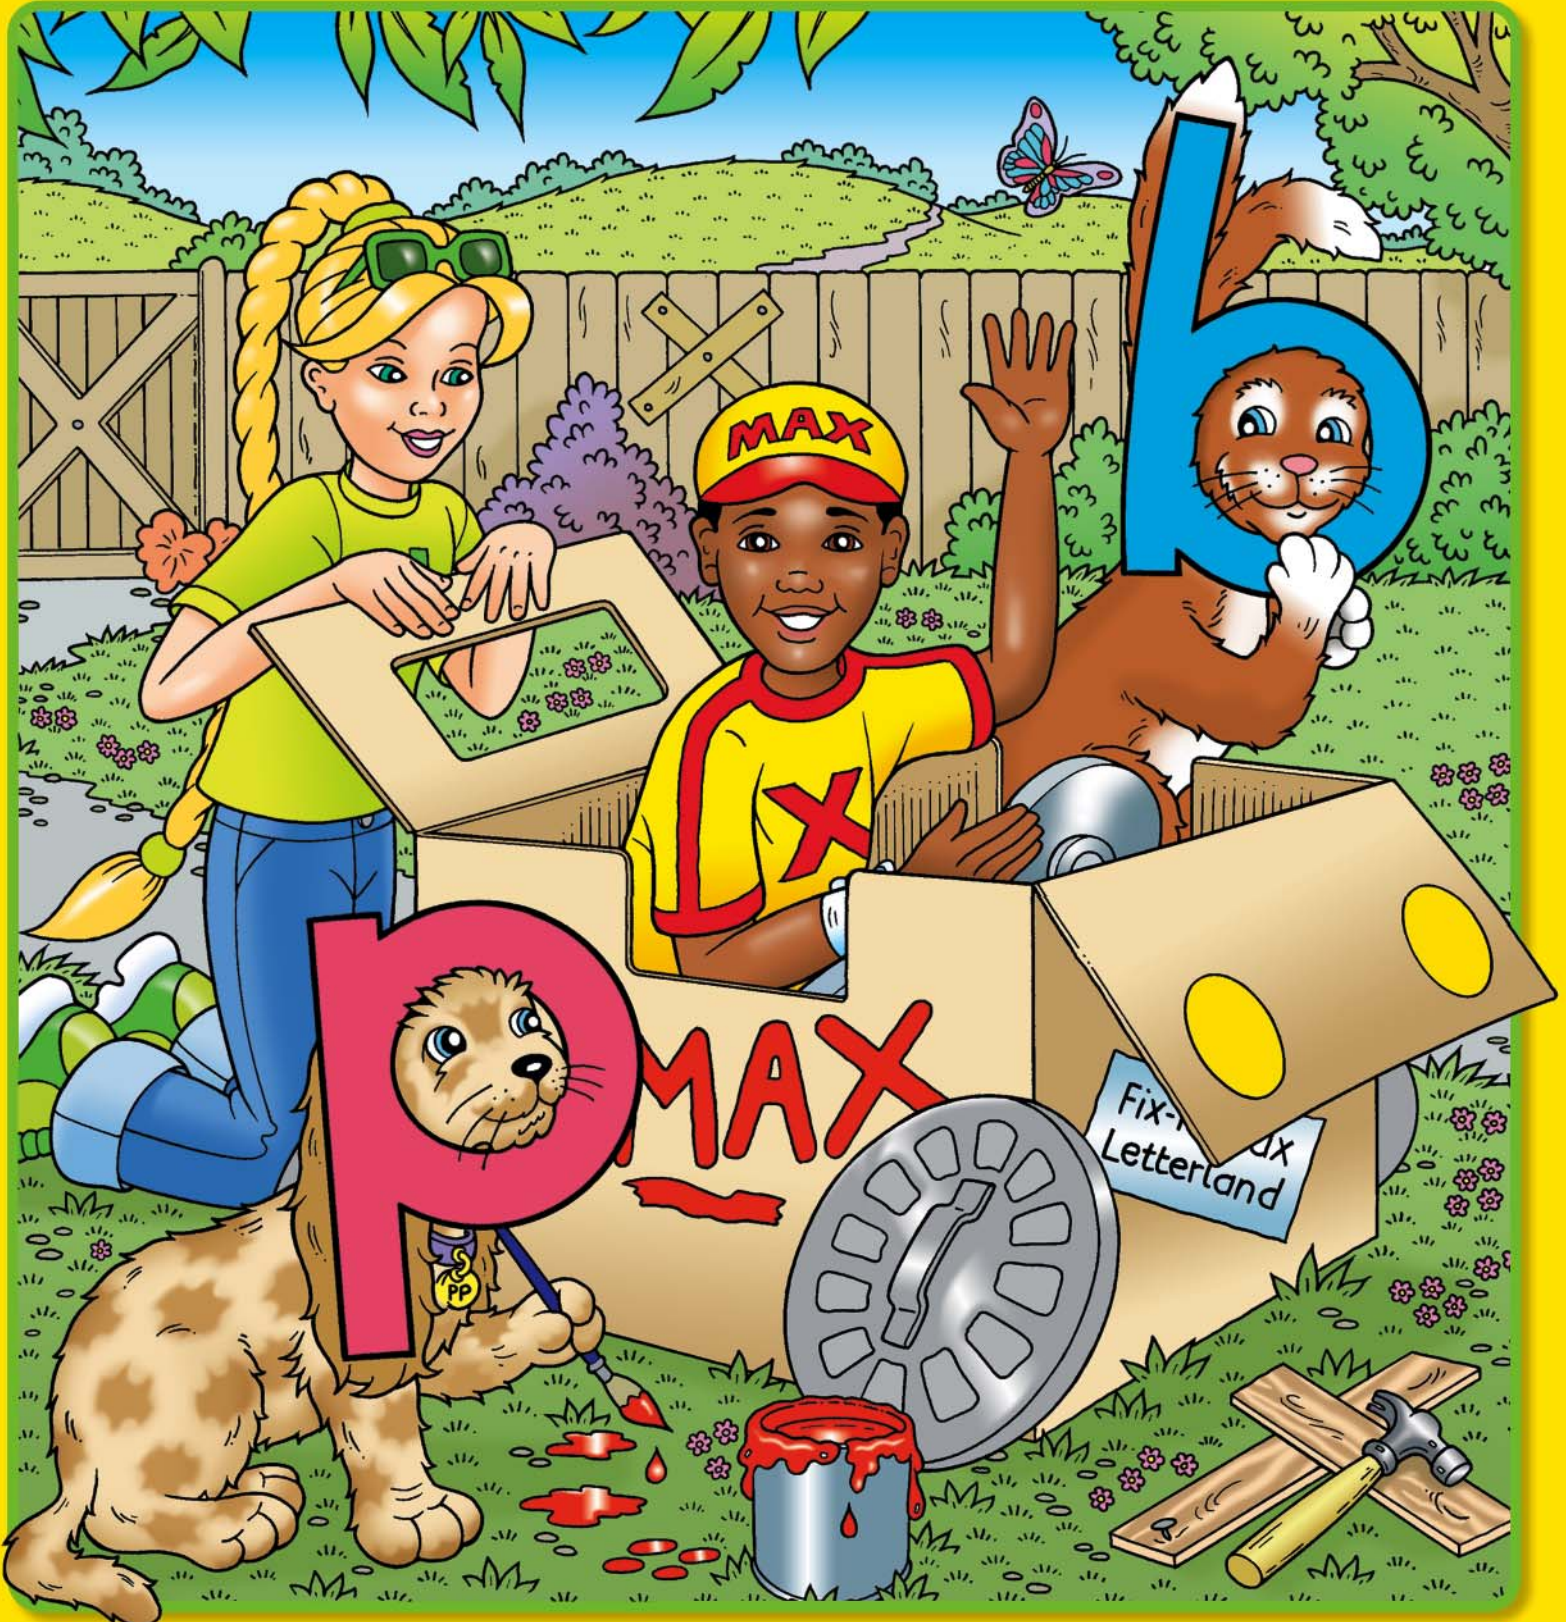

5. Oh! Max bumps into the box. Poor Max!

6. He has to have an x-ray at the hospital.

7. Fix-it Max is fine, but his bike is broken. "You wont be able to ride it for a while," says his mum.

8. Max has an idea. He makes the bike box into something new to play with, until his bike is fixed!
