Clever Cat's Cocoa!

It was a cold day in Letterland and Clever Cat and Harry Hat Man were hurrying home.

“Would you like a cup of cocoa?” asked Clever Cat, as they reached her cottage.

“Yes, please,” Harry Hat Man nodded, happily.

“Thank you,” he said, as Clever Cat handed him his drink. “Ooooh! It’s a bit hot!”

“Would you like some cream to cool it down?” asked Clever Cat. But the cocoa was still too hot! Then Clever Cat had another idea!

“Could you help me to put up my new curtains while the cocoa is cooling?” she said.

Harry Hat Man was happy to help. There were lots of hooks on the new curtains. It took a long time to hang them.

“Thank you for helping me,” said

Clever Cat.

“Do you think our cocoa will be cool enough to drink now?” asked Harry.

They picked up their cups and had a sip.

“Oh dear,” Harry said. “Is it still too hot?” asked Clever Cat.

“No,” laughed Harry Hat Man. “It’s too cold now!”
