

# Kicking King's Kite

1. Kicking King is going to fly his kite.

2. "My kite is very plain," he says.

3. "I'll paint a kangaroo," he thinks.

4. Kicking King gets his paints and brushes out.

5. Then he goes to put the kettle on.

6. He doesn't see what his kittens are up to.

7. "My kite certainly isn't plain anymore!" laughs Kicking King.  
"Thank you for helping, kittens."

8. Can you see which kite Kicking King is flying?  
Who do the other kites belong to?
