## Day Eleven : Snowman Pizzas

### You will need

English Muffins (cut in half)  
Grated Cheese  
Orange Pepper  
Tomato Puree (or make your own pizza sauce with passata and mixed herbs)  
Mini Pepperoni

### Instructions

1. Preheat the oven to 180C(350F)
2. If making your own sauce heat the passata in a saucepan and add your mixed herbs. Bring to the boil and simmer for 5 minutes, leave to cool.
3. Slice your English muffins in half and prepare your toppings. Slice up the mini pepperoni into discs and cut some triangles out of the orange pepper for the snowman nose.
4. Time to assembly your pizzas. Add the cooled sauce first and top with grated cheese. Now add the orange pepper nose and assemble the pepperoni slices to look like eyes and a mouth.
5. Bake for 7-10 minutes in the oven until the cheese is fully melted. Enjoy your snowman pizzas.
