

You will need

- Printed templates
- Pencils or crayons
- Gluestick or tape

Instructions

1. Print out all of the templates on the following pages.
2. Start by filling in the blanks. Use the box of spellings on the left to fill in the festive words. Trace the whole word and say it out loud.
3. Next, ask an adult to help you cut out the word and picture cards to play a matching game. Read all of the words together, then match them with the festive pictures by sticking them onto your Festive Match and Search sheet. Once you have matched all of the pairs of cards, you can colour in the pictures!
4. Go on a walk either inside or outdoors (remember to wrap up warm and take a grown up with you!). Search for the festive items on your sheet(s), and check them off as you go along. The first person to complete their sheet is the winner!

Fill in the Blanks!

Look at the spellings in the box on the left.
Use them to fill in the blanks for each of the words below.
