

12 days of **Letterland**

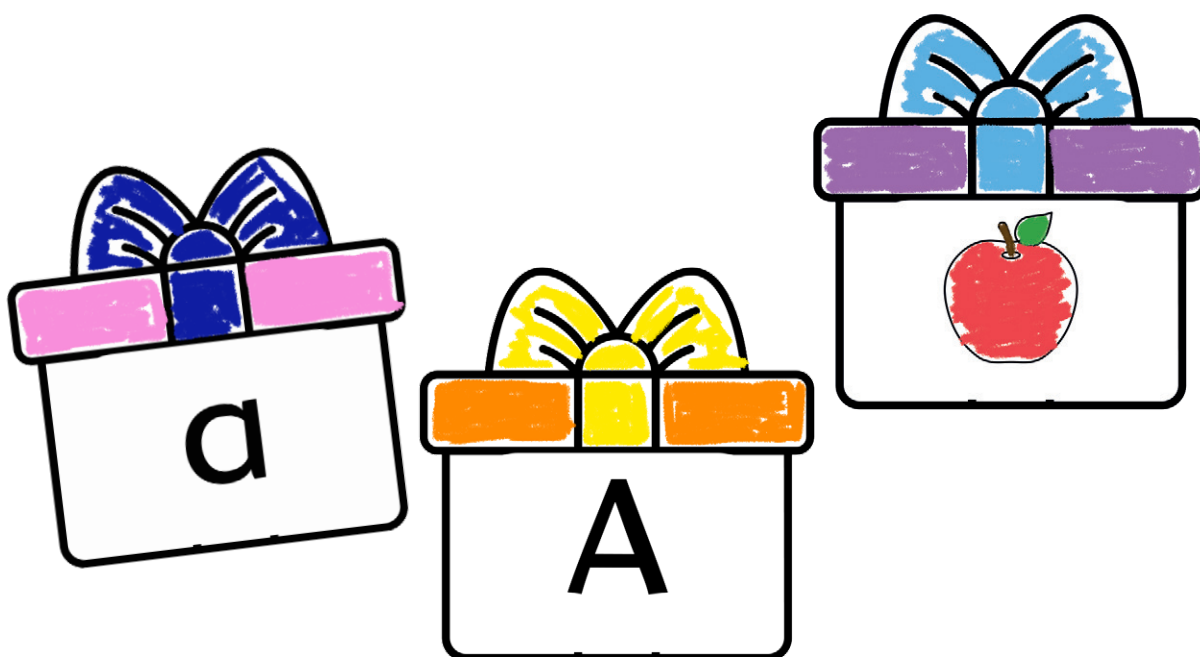

Day Eight: Matching Pairs

You will need

- Sheets of printed templates (see overleaf)
- Scissors
- Pencils or crayons

Instructions

1. Ask an adult to help you cut out all of the present shapes.
2. Collect all of the presents with letter shapes on them and lay them out on a table in front of you. Give them a jumble up!
3. See if you can match up all of the lowercase and uppercase letter shapes into pairs.
4. Once all of the presents have been matched up, ask an adult to talk through the letter shapes and sounds with you. Which Letterlander makes each sound? What is the Action Trick for that letter? Do you remember the Uppercase Trick?
5. Now match up the pictures to the letter pairs.
6. Colour all of the presents in!
